Building and Sites

Series 900

Policy Title Site Acquisition Code No. 901.2

The Superintendent of Schools shall present to the Board of Directors a master site acquisition plan to meet the needs and purposes of the School District for future years.

The master site acquisition plan shall be subject to periodic review and updating. The administration may request the assistance of the School District Architect, a real estate committee, the zoning commission, and any other urban planning organization in making the master site acquisition plan.

It shall be the responsibility of the Board of Directors to establish a priority calendar for the acquisition of the various sites. The board may meet in closed session to discuss potential purchases of sites.

Elementary schools shall be centered, insofar as possible, within natural residential areas and located so that children do not have to cross main traffic arteries and railroads.

All provisions as specified by the Code of Iowa shall be followed in site negotiations and acquisitions.
