

Educational Philosophy

Series 100

Policy Title Educational Beliefs Code No. 101

The educational philosophy of the Pleasant Valley Community School District is supported by the following beliefs:

- We believe all individuals have the ability to learn.
- We believe a flexible, innovative, and superior quality educational process prepares students for success in a global society.
- We believe a major purpose of learning is to explore and develop one’s abilities.
- We believe understanding, acceptance and respect of diversity and individuals is essential.
- We believe family involvement is important to student success.
- We believe learning begins at home, is nurtured by experiences at school, and broadened by the involvement of the community.
- We believe learning is a lifetime process that leads to productivity and self-fulfillment.
- We believe continuous improvement is essential to education.
- We believe a safe, healthy, disciplined environment at home and school is necessary for student success.
- We believe the education of students is our highest priority.
- We believe educational needs and decisions are best determined and made within the district.
- We believe high expectations are essential to achieve a superior quality education.
