

Dear Hopewell Families,

Every other year Pleasant Valley Elementary Schools have the unique opportunity to host a visiting author sponsored by the school district and PTAs. This year we are pleased to announce Sarah Weeks, a well-known children's author, will be at Hopewell on Thursday, April 19th. Presentations will take place in each grade level. Sarah Weeks will be signing books for the students. As in the past, you will need to purchase your own book and send the book in to be autographed. Sarah Weeks writes to a wide range of audiences. She has written many picture books, chapter books and books for middle school age. Mrs. Bachtel has compiled a list of grade level books that could be used to choose a book for your child. You know your reader so use this as a reference!
