

## **INSTRUCTION AT A POST-SECONDARY EDUCATIONAL INSTITUTION**

Students in grades eleven and twelve who take courses, other than courses taken under an agreement between the school district and the post-secondary educational institution, are responsible for transportation without reimbursement to and from the location where the course is being offered.

Ninth and tenth grade talented and gifted students and all students in grades eleven and twelve will be reimbursed for tuition and other costs directly related to the course up to \$250. Students who take courses during the summer months when school is not in session are responsible for the costs of attendance for the courses.

Students who fail the course and fail to receive credit will reimburse the school district for all costs directly related to the course. Prior to registering for the course, students under age eighteen will have a parent sign a form indicating that the parent is responsible for the costs of the course should the student fail the course and fail to receive credit for the course. Students who fail the course and fail to receive credit for the course for reasons beyond their control, including, but not limited to, the student's incapacity, death in the family or a move to another district, may not be responsible for the costs of the course. The school board may waive reimbursement of costs to the school district for the previously listed reasons. Students dissatisfied with a school board's decision will appeal to the AEA for a waiver of reimbursement.

The superintendent is responsible for annually notifying students and parents of the opportunity to take courses at post-secondary educational institutions in accordance with this policy. The superintendent will also be responsible for developing the appropriate forms and procedures for implementing this policy.
