

Fiscal Management - Financial Metrics

The following relevant PK-12 public sector indicators will be provided to the Board annually to better understand the financial trends of the district. These indicators will be an accurate depiction as of June 30th of the preceding fiscal year and will depict at a minimum of 5 years of data.

- Total revenues and expenditures by fund and major sources;
- Financial Solvency Ratio - assigned plus unassigned fund balances divided by total revenue minus AEA flow through;
- Unspent Authorized Budget Ratio - amount of maximum spending authority left at year end after deducting the general fund expenditures incurred during the year;
- Unspent Authorized Balance Ratio Net of Restricted Fund Balances (Categorical Fund Balances) - amount of maximum spending authority left at year end after deducting both the general fund expenditures incurred during the year and the total restricted fund balances (categorical fund balances) at year end;
- Enrollment Trend - funding follows the student so it is important to understand district enrollment numbers;
- Staff costs as a percent of total general fund.

Financial Projections

The general fund is the operating fund of the district where the majority of salaries and benefits are funded. Projections will help the board determine sustainability of the annual operating budget and help make future budgetary decisions.

The District is committed to utilizing the following financial metrics in determining district financial goals:

1. Unspent Authorized Budget Ratio: Maintain unspent authorized budget ratio within the 5% to 15% target range.
2. Unspent Authorized Budget Net of Restricted Fund Balances (Categorical Balances): Maintain unspent authorized budget ratio net of restricted fund balances (categorical balances) within the 3% to 13% target range. The district will attempt to spend the restricted (categorical) annual allocation in the year received to the extent possible.
3. Solvency Ratio: Maintain an unrestricted, uncommitted general fund balance within the 7% to 17% target range with 10% being a minimum goal.
4. The District will take reasonable steps to achieve a total general fund balance at least equal to its unspent authority. This enables the District to cash flow its legal spending limit.
